Ref. A5-125/38 dated 9th February 1938.

Sir,

Famine - Relief works - Sirigeri-Karur Road.

The test work Sirigeri-Karur Road was opened on 1-1-1938 with headquarters at Sirigeri. Subsequently the camp was shifted on 17-1-1938 to Karur for the reasons explained in my letter A5-125/38 dated 23-1-1938. On 24-1-1938 I inspected the work and made arrangements for work at both Sirigeri and Karur.

A tabular statement of workers up to 22-1-1938 was furnished to the Board with my letter No. A5-125/38 dated 23-1-1938. The appended statement shows the number of workers from 23-1-1938 to 6-2-1938. I think it may be considered to be proved that distress exists in the area, which justifies the conversion of this work into a relief work. I recommend therefore that the Board may be pleased to sanction the conversion of Sirigeri-Karur road test work into a relief work.
